This month we will talk about hearts, love and friendship. We will explore a variety of shapes as we talk about hearts. We will enjoy our friends in class as we play games and sing songs to celebrate Friendship Day. Remember to wear red! We will spend time learning about the love that Jesus has for each of us at the end of the month. We will go outside as the weather permits, so please bundle up your child.

Love, Miss Lauren, Miss Kia & Miss Karen
