This month we will talk about hearts, love and friendship. We will explore a variety of shapes as we talk about hearts. On February 13, we will enjoy our friends in class as we play games and sing songs to celebrate Friendship Day. Please have your child wear red on that day if possible. During our Bible adventure in February, we will spend time learning about the love that Jesus has for each of us. We will go outside as the weather permits, so please bundle up your child.

Love, Miss Marianne, Miss Pamela & Miss Lauren
