It's hard to believe the school year is almost over! We have had a fun and busy year in our classroom. Thank you for all you have done to make this year a success for your child! May is a busy month for us with lots of fun events including our field trip on May 10th and the end of the year program on May 24th. We will have class on Friday, May 18th as a make up for one of the days we missed due to snow. We will also take time to celebrate our friend's summer birthdays during the last days of school.

Love, Miss Michelle & Miss Robin
