Winter is here! Brrr... In January we explore many of the cool (and cold) aspects of winter. Be sure your child has appropriate outdoor clothing because we go out in the cold whenever possible. When we can't go outside, we will be taking part in some fun indoor movement activities. January 10<sup>th</sup> show and tell will be your child's choice. Your child should bring a favorite stuffed toy to school on January 24<sup>th</sup> for our Show & Tell/Teddy Bear Picnic.

Love, Miss Melissa & Miss Cindy
