This month we will focus on all the fun things to do in winter. Our Bible Adventure will center on Jonah. We will have a "whale" of a time together! If there is inclement weather, please remember we will follow Frederick County Public Schools' snow schedule. You may listen to local radio or television stations for closings and delays. You may also sign up for reminders through the Remind app (refer to your WFS packet) or call the school for updates.

Love, Miss Lauren, Miss Kia & Miss Karen
