Wow! It is hard to believe that it is already time to plan the last day of school. We have had a fun and busy year in our classroom. Thank you for all that you have done to make this year a success for your child! May is a busy month for us with lots of fun events including Wee Folk Sunday (which includes a cute video of the kids singing) our field trip on May 9<sup>th</sup>, and the end of the year program. We will also take time to celebrate our friend's summer birthdays during the last days of school.
