The month of March is very busy. We will begin the month celebrating Dr. Seuss. We will learn about rhyming words, directional words and review the numerals 1-5 and create sets. We will also have several themed days. The middle of the month we will talk about various pets. The month will conclude with an Easter Unit. Please be sure to sign-up for conferences. They will be held March 19th. Please take some time to look through your child's extra clothes and make sure they are size and weather appropriate.
