29	30 Memorial Day	31	<p>It is hard to believe that a year has passed so quickly. We have enjoyed getting to know your child. It feels like one big family. Not only have the children grown physically but also socially, emotionally, and educationally. It has been a pleasure working with them. As our school year nears an end, please remember we will be outdoors for recess and sadly sandals and crocks are not safe for running and climbing. Please continue to dress your child in weather appropriate clothing. Make sure we have a seasonal and size appropriate set of extra clothes. HAPPY MAY!!!</p>			

Field Trip: The children will be going to Green Meadows Farm on Thursday May 19. Parent's will need to bring their child to the farm and stay with them. You will be touring the farm on your own with your child. Activity fees have paid for your ticket and your student. If anyone else accompanies you, they will need to pay at the gate. The teachers will be there until 11:45. You are welcome to extend your stay or bring a lunch. We will send home information early in May as to the time we are meeting at the farm.
