Wow! May! It's our last month of the school year. We will be busy! Please pay attention to notices and emails as you will be receiving details about our Field Trip and the End of the Year Event through these methods. **IMPORTANT:** May 9th, we will be using fabric paint to create a special class T-shirt. Send your child to school in some old play clothes that day! (just in case) Our last Show and Tell of the year will be May 10th. Please help your child choose and bring something special to share on that day. On our field trip, each child needs to have an adult to stay with them at Green Meadows. It's a fun day for ALL!

Love, Miss Melissa, Miss Desiree, & Miss Kathleen
