Welcome to December! This month we will focus on the meaning of Christmas and many of the Christmas symbols and traditions. Our classroom will be transformed into Santa's workshop with elves, trees, baking and cheer. We hope you will enjoy the crafts and gifts the children make this month. On **Wednesday, December 8th** we will have a special birthday **celebration snack** for Jesus' birthday. You will be able to sign up to contribute to our special snack!

Love,

Miss Judy and Miss Pamela
